Order your inscribed brick for walkway placement today!

Dear Members & Friends:

By now you may have heard of the new walkway at our beloved Weeks Brick House. Not only is it an improvement to safety and aesthetics, but it provides us with a new way to pay lasting tribute to our Weeks ancestors and longtime supporters of the Weeks Brick House & Gardens – The Memorial Brick Walkway Project.

Now you can memorialize, honor, dedicate, or show appreciation to ancestors, family members, or special friends by placing a custom-engraved brick on our memorial brick walkway.

We have endeavored to keep the cost per brick modest enough so that one can recognize multiple individuals – the cost is just $100 per brick, which includes preparation, engraving, and placement. Simply fill out the order form below, enter your inscription, and send your check for $100 per brick to: The Weeks Brick House & Gardens, P.O. Box 93, Greenland, NH 03840. Orders are now being accepted for the next round of engraving and placement. Order your memorial brick today so it will be in place for the next annual meeting. Thank you!
